Hello Phyllis,

It's great to virtually meet you. As my mother mentioned, I have recently returned from campaigning for President Obama. The work was so rewarding and exciting and I'd love to get back into it. Most of my co-workers were lamenting the fact that the next election cycle won't get started for more than a year, so I feel really fortunate that we have this exciting race coming up here in LA. I've attached my resume, and I really appreciate your offer to send it on to Wendy Greuel.

Thank you,

Molly Wyant
