You can't deny those Texans. The whole scene – motorcycle, a back pack, the policeman, motorcycle helmet, and the other “three” all in the same photo!

## **"Out in the West Texas town of El Paso ..."**

Three armed felons crossed the US border and attempted to rob an off-duty El Paso police officer dressed in civilian clothes while he stood in front of a bank.

The plan was for two of them to grab his backpack and toss it to an accomplice on a stolen motorcycle.

However, the well prepared police officer shot all of them, killing two immediately.

The third was shot in both arms and bled to death before the ambulance arrived.

This is how much the US Taxpayer would have had to pay to prosecute these thugs:

- Arrest and detention for 1 night = **\$6,000**
- Transportation for deportation back to Mexico the next day = **\$1000**
- Air time for Obama to apologize in 30 minute speech = **\$25,007,000**

What it actually cost:

- Four .40 rounds = **\$1.00**
- **Taxpayer savings = \$25,006,999.00**

Apparently They Picked The Wrong Man to Rob This Time. And There Won't Be A Next Time!

**THE AVERAGE RESPONSE TIME FOR A 911 CALL IS 4 MINUTES.  
THE AVERAGE RESPONSE TIME FOR A .40 S&W ROUND IS ABOUT 1200 FEET PER SECOND.**

**I LOVE TO READ THESE STORIES WITH SUCH HAPPY ENDINGS.**

**WHEN OUR GUNS ARE TAKEN AWAY, ONLY THE CORRUPT CURRENT MUSLIM GOVERNMENT WILL HAVE THEM.**

"The right of the people to keep and bear arms is what has kept this nation free and secure for over 200 years. The very purpose of the Second Amendment is to stop the government from disallowing people the means to defend themselves against tyranny.

**Subject:** Fwd: Obama EO Preps for WH Takeover of US Election System

People if this is true we'd better somehow get it stopped. JW  
While we were sleeping.... Again! We are watching our freedoms  
flushing down the Craaaapa.  
RIK

Thursday, as many Americans prepared for a three day weekend, Obama signed an [Executive Order](#) that can alter the course of all future elections.

**In it, he established the Presidential Commission of Election Administration. The 9 members are appointed by the President. Their mission includes:**

- ? **establishing the number, location, management, operation and design of polling places**
- ? **the training and recruitment of poll workers**
- ? **accessibility for overseas and uniformed voters**
- ? **voting machine technology**
- ? **management of Provisional ballots**
- ? **management of Absentee ballots**

Consider this: Most of Obama's power-grabs were initiated via Federal Agencies. A strong incoming president could unravel much of his work. If BHO controls the election process, there is little left for the future but totalitarianism.

AN ILLEGAL POEM  
By Illegal Immigrants

I cross river,  
Poor and broke,

Take bus,  
See employment folk.

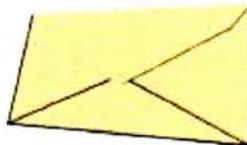

Nice man  
Treat me good in there,  
Say I need  
Go see Welfare.

Welfare say,  
'You come no more,

We send cash  
Right to your door.'

Welfare checks,  
They make you wealthy,

Medicaid  
It keep you healthy!

By and by,  
Got plenty money,

Thanks to you, TAXPAYER dummy.

Write to friends  
In motherland,

Tell them  
'come, fast as you can'

They come in buses  
And Chevy trucks,

I buy big house  
With welfare bucks.

They come here,  
We live together,

More welfare checks,  
It gets better!

Fourteen families,  
They moving in,

But neighbor's patience  
Wearing thin.

**The other day my friend took this picture. He was walking hand in hand with his wife prior to taking it. When his eyes fell upon this amazing spectacle, he dropped her hand and ran to get his camera! When his wife saw what he did she didn't talk to him for days. Finally she came to him and said, "Why did you feel it so necessary to take that picture?" He replied, "Honey, how often do you see a dog driving a car?"**

Do you know who this is?

It is Little Trayvon Martin...! At 17 yrs of age.

*For those of us who thought we were well informed and the reality check.*

*That old adage applies here: "there are two sides to every story"*

*We don't always get the truth from the media.*

*One of my favorite rants - the liberal controlled media, newspapers, magazines, radio; all continue to show 12 NOT 17 year old Trayvon.*

*In reality "little Trayvon" at the time of his death stood*
