

LA MIRADA'S COLLEGE BANNER PROGRAM PROMOTES HIGHER EDUCATION

BY BRIAN HEWS

La Mirada residents will notice new street banners along Adelfa Drive in front of La Mirada High School.

The new banners were created as part of a College Banner Program to honor La Mirada High School students who recently graduated and plan to continue their education at a college or university the following year.

David Ramirez holds his banner

The banners feature a photo of the graduate, the graduate's name, a noteworthy achievement, as well as the college or university they plan to attend. The class of 2018 is the first graduating class to participate in this new program.

The idea for the college banners was developed and proposed by the Youth in Government students at the February 27 City Council meeting.

Through the Youth in Government program, La Mirada High School students have an opportunity to learn about local government and recommend programs to enhance the community.

The College Banner Program was approved by the City Council and implemented this year in collaboration with the Norwalk-La Mirada Unified School District.

"We are extremely proud to highlight the achievements of our La Mirada High School graduates with this new College Banner Program," says Assistant City Manager Anne Haraksin. "We hope these banners serve as an

LAKWOOD REGIONAL MEDICAL CENTER'S HEALTH OVER HUNGRY FOOD DRIVE

HOLDING THE PROJECT SHEPHERD DONATION are (l-r) Lakewood Vice-Mayor Todd Rogers, Mayor Steve Croft, Project Shepherd Community Services Coordinator Caitlin Cariaso, and John Grah, CEO, Lakewood Regional Medical Center.

BY TAMMYE MCDUFF

For the fifth year in a row, Lakewood Regional Medical Center held their annual Health Over Hungry Cereal drive. What started out as a local program to ensure no child goes without during the summer months has evolved into a national initiative.

LRMC is part of Tenet Health Care, a national health care company of more than 80 facilities and 110,000 employees.

"About five years ago, a nurse in one of our Detroit hospitals noticed when school was out for the summer, there was an influx of children coming into the emergency rooms with malnutrition," said John Grah, CEO of LRMC, "the staff began to realize that these children had no place to get their meals."

This raised a call across Tenet, and began the movement to gather food and raise funds for families in need.

"Each year as schools are letting out for the summer, we challenge our employees to raise donations. The program began as a cereal drive, but we quickly found out that many food banks could not accommodate the massive amounts of donations we were gathering," Grah said.

"So we decided to have a combination of collected food donations and money donations. Today we are very excited to donate \$20,000 to Project Shepherd and

the City of Lakewood."

Grah indicated that donations are still coming in and that LRMC plans on matching them, supplying over 118,000 meals.

The food program is near and dear to Grah. He was born and raised in an area of St. Louis that fell on hard times, "I started learning at a young age how 'food insecure' people can be."

In Los Angeles County, more than a million people that go to bed every night not knowing where their next meal will come from.

"This becomes more of a crisis when school ends for the summer because so many children receive breakfast and lunch while in school," adds Grah.

"Project Shepherd receives so much support from the community and our businesses, so we can help those families that are in need," said Vice Mayor Todd Rogers, "we are blessed to have Lakewood Regional Medical Center who has contributed so much to our residents."

Community Services Coordinator Caitlin Cariaso added that there are approximately 350 families that benefit from Project Shepherd, "we are fortunate that we have the capabilities to help them," she said.

If you would like to donate to Project Shepherd, visit the City's site at <http://www.lakewoodcity.org>.

HMG-CN INVESTIGATION MONTEBELLO UNIFIED VIOLATED EDUCATION CODE IN SELLING SURPLUS PROPERTY TO FORMER DIRECTOR

BY BRIAN HEWS

A Hews Media Group-Community News investigation has found that high-level personnel inside Montebello Unified School District bypassed district policy and sold a surplus vehicle for thousands less than its actual worth to outgoing MUSD Maintenance, Operations and Transportation Director George Upegui.

The sale violated several sections of the California Education Code related to the disposition of district surplus vehicles.

Sources are telling HMG-CN that the Los Angeles District Attorney is conducting an active investigation and has already interviewed several people involved in the sale. One source unequivocally said that "someone is going to jail over this."

The vehicle in question was a 2009 Crown Victoria used by undercover MUSD safety officers that was heavily modified with mileage, according to documents, right at 92,000.

An examination of Kelly Blue Book prices showed the vehicle worth between \$4,000 and \$6,000 dollars.

But the vehicle was sold to Upegui for only \$700.

Documents obtained by HMG-CN via a public records request show an effort by Upegui to subvert the process so he could purchase the vehicle for thousands less.

The documents also show that Assistant Superintendent of Human Resources Angel Gallardo signed all sale and transfer documents, rather than the Superintendent or other personnel.

Although requested, not included with the public record request was any legal notice that the Ford Crown Victoria had been advertised for sale by the MUSD in a newspaper of general circulation.

inspiration and encouragement for other high school students to pursue a college education or trade."

Similar to the "Presidential Portraits" banners and the military banners, college banners are installed on light poles along Adelfa Drive between Foster Road and Alicante Road.

The college banners will be replaced every year with new La Mirada High School graduates.

Montebello from page 1

The entire process violated California Education Code 17545 which mandates that selling of equipment must be properly noticed in a newspaper two weeks prior to the sale, mandates the acceptance of bids, and requires that the highest bidder be awarded the equipment.

Upegui first pushed for the sale in June 2017, sending a list of surplus vehicles via email to Gallardo to be approved at the June 29, 2017 Board meeting.

Interim Superintendent Anthony Martinez "drafted" a memo describing the proper sale of surplus property to be presented to the Board on June 29.

Strangely, the memo was addressed "To: Interim Superintendent Anthony Martinez," and then "From: Interim

Superintendent Anthony Martinez."

At the time, sources told HMG-CN that Upegui actually wrote the memo. Then an email obtained by HMG-CN seemingly confirmed the information.

Upegui wrote on Saturday June 24, 2017, "I spoke with Lloyd and Craig along the way trying to get all of the viable information for the surplus (sic) of said vehicles. Both Lloyd and Craig were helpful and thought maybe the school buses go to auction and the white fleet go to bid internally as in the past."

"I have crafted a board action based on a request from Dr. Gallardo today and copied you accordingly."

At the June 29 meeting, Interim Superintendent Anthony Martinez presented the memo, after which the Board approved the sale of the surplus property.

Acting quickly after the meeting, Upegui wrote a check for \$700 to MUSD and gave it to Gallardo with a note attached; the check was not dated.

Handwritten on the note was refer-

ences to completing the documents and sale of the Crown Victoria to Upegui.

"Sign all X's, total circled X's please sign," Upegui wrote. He was referring to the transfer documents and Certificate of Title (pink slip) of the car. Gallardo signed next to the three X's, releasing all interest in the car to Upegui.

The note then read, "place date on check," a strong indication both knew beforehand the sale of the car would take place to Upegui.

An examination of the check shows different handwriting in relation to the date on the check. District personnel subsequently mailed all sale documents to Upegui.

Sources are telling HMG-CN that after the sale, but before Upegui took possession of the Crown Victoria, the district spent \$2,000 to "fix up the car."

HMG-CN has a public records request asking for the maintenance records but the district has yet to respond.

PREMIER GIRLS FASTPITCH SOUTHERN CALIFORNIA QUALIFIER

ARTESIA PUNISHERS 18-UNDER SQUAD TAKES VERY EARLY EXIT IN QUALIFYING TOURNAMENT

BY LOREN KOPFF

HEMET-On his way up to the Diamond Valley Sports Complex last Friday afternoon, Artesia Punishers 18-Under head coach Bob Medina thought his team could win the Premier Girls Fastpitch Southern California Qualifier, which would clinch an automatic berth to the PGF National Championships next month. But what he witnessed was something uncharacteristic of any of his teams.

The Punishers failed to win a game at

the So Cal Qualifier for the second time ever, and the second time in three years, losing to the (San Diego) Breakers Labs 4-2 last Friday evening and then the (Clovis) Central California Dirt Dogs Gorton 7-2 last Saturday morning. The Punishers were coming off a 2-2-1 performance the previous week at the Triple Crown Sports Zoom Into June Tournament.

“The early exit is very disappointing to me,” Medina said. “This is probably bar none my best team. I just don’t know what it is. I don’t know if it’s senioritis. You get all the seniors together and they’re out there. The fact that they’re just kind of lackadaisical, letting the ball drop between second and third...give me some energy.”

The Punishers were down 1-0 after two innings but got on the board in the bottom of the third and it started with right fielder Sierra Sandoval (San Pedro High) singling to right field. After a sacrifice and a strikeout, left fielder Yamila Evans (San Marino High, Siena College) singled to center and advanced to second on an error. On the next pitch, she came home on a single from designated player Anessa Quiroz (San Pedro High, Monroe College).

After that, the Punishers would collect just one more hit in the game while the Dirt Dogs tied the contest in the next inning on a run-scoring double from Analiese Raley. The big blow would come in the fifth when Sydney Kuma, who had scored the tying run, smashed a grand slam over the centerfield fence.

“Once we get going, this team can

score,” Medina said. “I don’t care if there are two outs. Last week we had two outs three or four times and we scored our runs and we came back. So, the girls knew that. It’s doable and I do have a team that can do it. We just have to get everybody on all cylinders working like an engine.”

The Punishers, who are now a combined 17-16 in PGF So Cal Qualifier games since the PGF started business in 2010, were trailing the Breakers 1-0 after half an inning last Friday night before rallying for their lone runs in the bottom half of the frame. Staci Chambers walked Evans on four pitches and walked Quiroz on seven pitches. A single to left from third baseman Samantha Noriega (Carson High) loaded the bases for shortstop Stephanie Jimenez, whose sacrifice plated Evans. Sandoval, who was a courtesy runner for Quiroz, would come home on a wild pitch. Right fielder Alexis Lopez (Los Osos High, Mitchell College) and first baseman Jessi Alvarado (Gahr High, Manhattanville College) would also single in the inning but the Punishers couldn’t get any more across home plate.

Over the next four innings, the Punishers would have seven runners on base, but none got past second base. Meanwhile, the Breakers scored three runs in the top of the third with Alyssa Wenzel reaching on a one-out error, followed by a double from Alyssa Vilke and a two-out double from Chambers. All the runs were unearned as Evans struck out two, walked one and scattered seven hits.

“We were lacking one outfielder and I put the hitters instead of the outfielders in

there and that was our choice yesterday,” Medina said shortly after the game with the Dirt Dogs. “Yesterday was very unfortunate. Today, I was hoping to come out a little more aggressive.

“I was so happy about the pitching,” Medina later said of last week. “That’s why I said we could win [it all]. We just had to put our defense together, and we did that. We worked every day this week, to work on our defense. And our defense did a lot better, I believe, than [in Chino Hills].”

Now, the Punishers will have one last chance to gain an automatic berth to the PGF National Championships, which comes on Saturday and Sunday in the Las Vegas Qualifier. The Punishers face the (North Tustin) California Blues at 8:00 a.m. with the winner to play the (Covina) California Panthers at 9:45. The Punishers could play anywhere from two to nine games in triple digit heat.

“We’re going to Vegas, regardless,” Medina said. “We have a few kids who can’t make it out there in Vegas, so that’s going to be unfortunate. We’re going to have to deal with whatever elements...the heat and everything like that that’s going to be out there. It’s going to be what it’s going to be. These girls have to get some fight, some orneriness and get out there and leave it on the field instead of waiting for somebody else to do it.”

CITY OF CERRITOS
ORDINANCE NO. 1020

AN URGENCY ORDINANCE OF THE CITY OF CERRITOS ESTABLISHING A MORATORIUM ON NEW OR EXPANDED SELF-STORAGE FACILITIES AND PROHIBITING THE ISSUANCE OF BUILDING PERMITS, USE PERMITS, AND OTHER LAND USE ENTITLEMENTS RELATED THERETO.

WHEREAS, the Cerritos Municipal Code does not provide specific regulations or standards with regard to the regulation of self-storage facilities within the City of Cerritos, separate from other warehouse uses regulated under warehousing regulations within the Cerritos Municipal Code; and,

WHEREAS, warehouse uses, and thereby self-storage facilities, are currently conditionally permitted in the following zones: (1) Industrial (M) Zone; (2) Industrial/Commercial (MC) Zone; (iii) Industrial Commercial-One (MC-1) Zone; (iv) Industrial Commercial-Two (MC-2) Zone; and, (v) Area Development Plan One (ADP-1); and,

WHEREAS, over the past few years, the City of Cerritos has seen a substantial increase in inquiries related to the development of new self-storage facilities, the expansion of existing self-storage facilities, or the replacement of an existing use to accommodate a new self-storage facility use, as self-storage facilities typically generate substantial rent income for the respective property owner with minimal overhead or administration costs; and,

WHEREAS, in order to address the City's concerns regarding the potential overconcentration of self-storage facilities within the City of Cerritos, and potential economic impacts of permitting self-storage facilities, it is necessary for the City to assess the potential impacts these uses may have on the City's overall economic growth, and to consider adoption of regulations based on such assessments; and,

WHEREAS, pursuant to Sections 36937 and 65858 of the California Government Code, to protect the public safety, health and welfare, a City Council may adopt as an urgency measure an interim ordinance prohibiting land uses that may be in conflict with a contemplated General Plan, Specific Plan or Zoning proposal that a legislative body, planning commission or planning department is considering or studying, or intends to study within a reasonable time; and,

WHEREAS, the Cerritos General Plan's goals and objectives encourage the City to preserve, promote and protect the existing high-quality physical development that characterizes the City and quality of life within the City of Cerritos, while encouraging the attraction and retention of land uses that generate revenue for the City of Cerritos; and,

WHEREAS, the Cerritos General Plan also encourages compatible land uses to locate in appropriate areas of the City; and,

WHEREAS, the Cerritos Economic Development Strategic Plan recommends that the City of Cerritos strategically focus on business retention resources so that the City does not prematurely erode its existing economic strengths, including maintaining a high sales tax base, employment labor force, and a strong business base; and,

WHEREAS, permitting new self-storage facilities, or allowing for the expansion of existing self-storage facilities, prior to the adoption of new self-storage specific regulations may result in (i) a threat to economic growth by having an over-proliferation of self-storage facilities in commercial and industrial zones, thereby reducing sales tax-generating land uses, (ii) substantial aesthetic conflicts between unregulated self-storage uses and other regulated commercial/industrial uses and potential increases in visual blight, (iii) adverse impacts to public health, safety and welfare as they relate to traffic and parking impacts; and,

WHEREAS, the City Council of the City of Cerritos wishes to establish comprehensive regulations for the establishment, use and operation of self-storage facilities, so that the public welfare is protected, economic vitality is maintained, and the aesthetics and visual qualities of the City are preserved and protected; and,

WHEREAS, the City Council desires to ensure that, during the pendency of the assessment for the formulation and implementation of comprehensive regulations, new or expanded self-storage facilities within the City are prohibited, so that the regulations produced by the City's assessment will be fully effective.

THE CITY COUNCIL OF THE CITY OF CERRITOS DOES HEREBY ORDAIN AS FOLLOWS:

SECTION 1. The City Council finds that the facts set forth in the recitals above are true and correct and hereby adopts the recitals as findings in furtherance for this ordinance.

SECTION 2. The City Council further finds that potential adverse impacts from new self-storage facilities or the expansion of existing self-storage facilities within the City, as stated herein, present a threat to public health, safety and welfare, economic vitality, and visual aesthetics of the City. Therefore, the City Council declares that this Ordinance is necessary as an urgency measure under Government Code Section 65858 to address the threats to public health, safety and welfare, economic vitality, and visual aesthetics of the City.

SECTION 3. The City Council hereby establishes an interim prohibition on the establishment, development, construction and/or operation of new or expanded self-storage facilities within the City of Cerritos, because such uses, as unregulated, are in conflict with the City's General Plan, the Cerritos Economic Development Strategic Plan, and the contemplated zoning regulations and development standards that the City Council, the City Planning Commission, and/or City's Planning Department is considering or studying or intends to study within a reasonable time from the adoption of this Ordinance.

SECTION 4. Notwithstanding any other ordinance or provision of the Cerritos Municipal Code, no person shall establish, develop, construct, or operate a new self-storage facility, and no application for a business license, building permit, conditional use permit, or any other entitlement authorizing the establishment, development, construction, and/or operation of any new or expansion of an existing self-storage facility shall be approved by the City as of the date of this ordinance.

SECTION 5. Pursuant to the provisions of Government Code Sections 36937 65858, this Ordinance shall be adopted by four-fifths vote of the City Council, shall take effect immediately upon its adoption, and shall remain in effect for a period of forty-five (45) days, unless extended by the City Council pursuant to Government Code Section 65858.

SECTION 6. The City Council hereby finds that pursuant to Section 15378(b)(5) of the California Environmental Quality Act (CEQA), this Ordinance is an organizational or administrative activity of the City that will not result in direct or indirect physical changes in the environment, and therefore not a project. Additionally, pursuant to CEQA Guidelines Section 15061(b)(3), this Ordinance is exempt from CEQA review because there is no possibility that the moratorium may have a significant effect on the environment, because it prohibits the issuance of a building or use permit, or any other entitlement for self-storage facilities. Furthermore, even if the Ordinance is considered a project, the proposed moratorium is categorically exempt under CEQA Guidelines Section 15308, because it is clear that the moratorium will not create an environmental impact and the action will assure the maintenance, enhancement, or protection of the environment through the eventual adoption of regulations and development standards on self-storage facilities. Accordingly, no further environmental review is necessary.

Furthermore, as the Ordinance is an administrative procedure related to uses and regulations identified in the Cerritos Municipal Code, and given that the proposed Ordinance is not related to a specific project, the Ordinance (i) by virtue of its location, will not impact a sensitive environmental resource of hazardous or critical concern; (ii) will not have a cumulative impact on the environment through successive projects of the same type, in the same place, over time; (iii) does not have any unusual circumstances that will have a significant effect on the environment; (iv) does not impact a scenic highway; (v) is not located on a hazardous waste site; and (vi) will not adversely impact a historical resource. Accordingly, none of the exceptions to categorical exemptions set forth in the CEQA Guidelines, Section 15300.2, apply to this Ordinance.

You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. NOTICE TO PROPERTY OWNER: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. The law requires that information about trustee sale postponements be made available to you and to the public, as a courtesy to those not present at the sale. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call or visit the Internet Web site, using the file number assigned to this case 15-002940. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not immediately be reflected in the telephone information or on the Internet Web site. You will be bidding on a lien, not on the property itself. Placing the highest bid at a trustee auction does not automatically entitle you to free and clear ownership of the property. You should also be aware that the lien being auctioned off may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien being auctioned off, before you can receive clear title to the property. You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on this property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that the same lender may hold more than one mortgage or deed of trust on the property. NOTICE TO PROPERTY OWNER: The sale date shown on this notice of sale may be postponed one or more times by the mortgagee, beneficiary, trustee, or a court, pursuant to Section 2924g of the California Civil Code. If you wish to learn whether your sale date has been postponed, and, if applicable, the rescheduled time and date for the sale of this property, you may call (800) 280-2832 or visit this Internet Web site WWW.AUCTION.COM, using the file number assigned to this case CA-17-8099-CS.
