COUNT 17

On or about March 20, 2018, in the County of Los Angeles, the crime of PERJURY BY DECLARATION, in violation of PENAL CODE SECTION 118(a), a Felony, was committed by ALEJANDRO JESUS ROJAS, who did unlawfully, under penalty of perjury, declare as true, that which was known to be false, to wit: his source and amount of outside income in his Form 700, Statement of Economic Interests.

It is further alleged as to count(s) 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16 and 17, that the said offenses are described in Penal Code section 803(c), in that the above violations were not discovered and could not reasonably have been discovered until after March 5, 2019, and that no victim of said violations and no law enforcement agency chargeable with the investigation and prosecution of said violation had actual and constructive knowledge of said violations prior to said date of March 5, 2019, within the meaning of Penal Code section 803(c).

In February 2018, the Los Angeles County Office of Education (LACOE) contacted Bassett Unified School District (District) Superintendent Deborah French and informed her of suspect business practices used by District-contractor Del Terra Group (Del Terra). LACOE, concerned that Del Terra may have committed financial fraud in its dealings with other school districts, asked French to conduct an inquiry into Del Terra's business practices in the District. French assigned the inquiry to the Law Offices of Leal and Trejo ("Law Office"), the District's legal counsel.

On March 5, 2019, the Law Office issued a multi-page report ("Report") with exhibits citing numerous Del Terra billing irregularities, including over one million dollars in unsubstantiated charges.

The Report found that on April 21, 2015, the District Board of Education (Board) signed a construction services contract (Contract) with Del Terra for construction management (CM) and program management (PM) services related to Measure "V," a November 2014 \$30 million voter-approved bond program.

The Report further found that the Contract was negotiated by then District Superintendent Dr. Alejandro "Alex" Rojas (Defendant 1) and Del Terra Chief Executive Officer Luis Diaz Rojas (Defendant 2). The two defendants are not related. According to the Report, Defendant 1 submitted the Contract to the Board for approval but did not include the Law Office in its drafting.

On April 21, 2015, the Board approved the Contract. Attached to the Contract was Exhibit C, which

provided that Del Terra would be compensated for “Additional Services” that were in addition to CM or PM authorized expenses.

The Report highlighted several Del Terra invoices related to the “Additional Services” that merited further attention. The invoices, dated between April 29, 2015 and September 15, 2016, were all signed and approved by Alex and paid by the District (through LACOE). The payments, totaling \$1,037,750, were for work the Report’s authors could not substantiate. When asked to provide supporting documentation for the invoices, Defendant 1, who resigned his position as superintendent on May 23, 2017 for unknown reasons, told the authors of the Report that all relevant documents were in his former office in the District. Defendant 2 did not respond to requests for documents.

During the District/Law Office investigation, Del Terra’s business dealings involving the Montebello Unified School District (MUSD) were under review by the District Attorney’s Office. Del Terra’s business dealings with Montebello Unified School District (MUSD) were also reviewed during an A.B. 139 extraordinary audit of the MUSD by the Fiscal Crisis & Management Assistance Team (FCMAT). FCMAT published a report of its findings on October 11, 2018 (*Los Angeles County Office of Education, Extraordinary Audit of the Montebello Unified School District, October 11, 2018*.) The report referenced the Del Terra / MUSD business dealings. In July 2019, during the MUSD investigation, a Fair Political Practices Commission (FPPC) investigation into suspected campaign money laundering by Defendant 2, involving an MUSD board member, came to light. Through a grand jury investigation, FPPC and bank records were subpoenaed for accounts held by entities owned by Defendant 2 and his sister, Virginia Campos—Del Terra Real Estate Services (a subsidiary of Del Terra Group), Sola Property Investments, and Alliances Services Group. An examination of these records revealed that between May 27, 2015 and January 23, 2017, while Defendant 1 was District Superintendent, Sola Properties and Alliance Services Group issued checks totaling over \$400,000 to Erudio Technology Solutions (“Erudio”) for consulting fees. The checks were deposited into an Erudio bank account held by Defendant 1. Based on a thorough review of the bank records, the Del Terra Real Estate Services account proved to be the source of Erudio’s funding. Secretary of State records identified Defendant 1 as the manager/owner of Erudio. According to records provided by the District in response to a Public Records Act request, Defendant 1 failed to disclose this income on his annual Statement of Economic Interests (“Form 700”) for the years 2015-2017.

Therefore, based on the above, the offenses, specifically Counts 1-17, with which the defendants are now charged were not discovered and could not reasonably have been discovered until after March 5, 2019, the date of the Law Office’s Report to the District.
