Hi Mike,

We reserve a table of 8 for city folk at the State of the County breakfast. There is no fee as we have a sponsor for the event and breakfast. Please invite council members and/or department heads/vip's to sit at your table. The Mayor traditionally introduces Mr. Knabe during the program. As Cheri will probably be Mayor, I have already asked her to do the introduction - she said yes.

We signed the agreement with Jennifer from the Downey Patriot yesterday to sell the Norwalk Chamber masthead. Jennifer is moving forward with publishing the new paper starting next week and the first edition should be out by next Friday.
