Endorsements

- Hon. Carol Liu**
Incumbent 25th District State Senator

"Anthony did an outstanding job in the State Assembly where he represented our district well for six years. I am very pleased to offer my endorsement for him to succeed me in the State Senate. We've had a long tradition in the San Gabriel and San Fernando Valleys of leaders who put education first and who are deeply and personally connect to the residents of our district. I am very confident that Anthony will continue to do both."

Hon. Paul Krekorian
Former Assemblymember 43rd District and Current L.A. City Councilmember

"Anthony is a perfect fit to succeed Carol Liu in the State Senate. He works hard, brings people together and solves problems. I'm proud to call him a friend and I know he will do an excellent job representing the 25th State Senate District."

Hon. Darrell Steinberg

"I have worked with Anthony on foster care issues, stem cell research and good government reform. He has great conviction and integrity and I would be very pleased to welcome him to our Democratic Caucus. He has my complete trust and support."
- Hon. Bill Bogaard**

"Anthony is one of the finest representatives I have worked with during my time in public service. Claire and I are very pleased to support him for the State Senate. His work helping to complete the Gold Line is of particular note and warrants the support of Pasadena residents and the greater San Gabriel Valley."

Hon. Tom Tortakian

- Joe Hopkins**

Hon. Reyna Diaz

- Hon. Jared Huffman**
Member of Congress

"Anthony is one of the hardest working and most dedicated public servants I know. He follows his convictions and doesn't back down – even if it's disagreement with his own Party. He stood up and helped preserve open space on our hillsides and fought harder than anyone else to protect our city's interests. He has been an ardent supporter and advocate for local cities and specifically Glendale's interests. During tough times, Glendale had no better friend than Anthony in our region. Sacramento. He was our go-to guy who got things done!"

Hon. Alan Lowenthal
Former State Senate Committee on Education

"Anthony put's education first. He has fought to blend high school and community colleges into great academic partnerships and improved our accountability. I am very happy to offer him my complete support."

- Hon. Ted Lieu**

- When Anthony's brother Michael passed away, I left a void in the LGBT community where he was a tireless advocate for civil and human rights. Anthony has picked up his brother's torch and he embraces our issues with a dignity and passion. His work with HIV and the HIV/AIDS community helps save lives and increases good public health. I would be proud to have him join me in the State Senate.
