Did not get special meeting agenda after telling you since October 2024 that I am not getting the agendas.
It was after Elaine fired Sharon that the agendas stopped.

You do realize under government code you are supposed to be sending me any kind of public notice for meetings, right?

Dear Mr. Spokesperson Garza:

I was on the list since 2013 then Elaine (illegally) fired Sharon (causing a lawsuit) and I was removed.
